

Course Syllabus

Grading will be based on the following criteria:

Class Participation

Craftsmanship

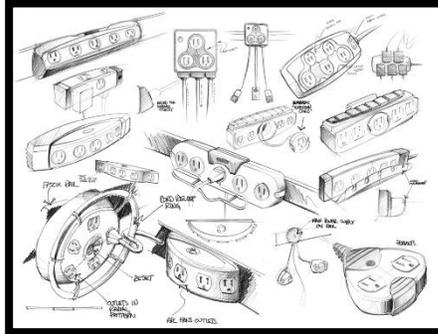

Work ethic

Creativity

Conduct

Time management

Completion of assignments

Materials: 1.5 inch three-ring hard cover binder

Lined loose leaf paper for note taking

One package of binder dividers with tabs (6 units, 1 tab per 2 units is fine)

A box of mechanical pencils (we designers love mechanical pencils!)

Binder pencil pouch to keep all supplies! (this is a must)

1 glue stick (please only purchase Elmer's, Avery, or Uhu brands for our purposes)

Prismacolor Colored Pencils (24 ct.)

Optional: In-binder 3-hole punch for papers

Expectations:

- **Show respect**

Good design practice is to constantly brainstorm and share ideas. During class discussions, students are to remain respectful and constructive.

- **Cooperate**

Working in a team is key! Be prepared to collaborate in group tasks and projects.

- **Take Responsibility**

Motivate, take chances and, most importantly, never give up. Encourage others to do the same.

- **Achieve Independence**

In this class you will learn how to self-reflect and understand how to use critical thinking and analyzing to find design solutions.

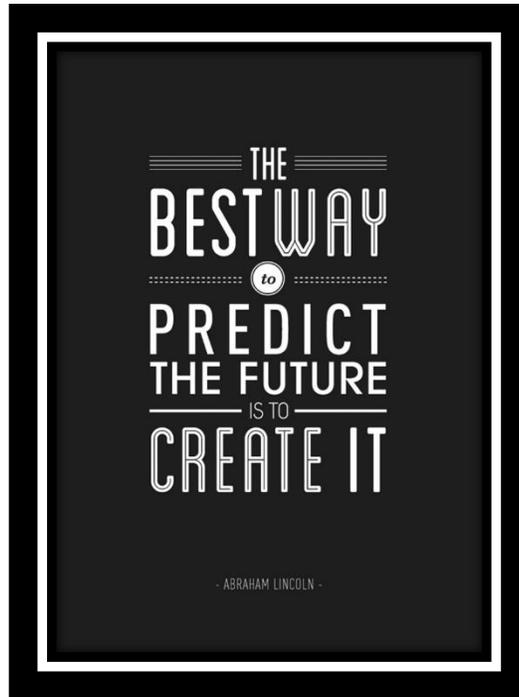

- **Materials**

You will be responsible for your own materials! Please be sure to bring these materials to every class. This binder is to be used for DDP materials only.

Cell Phone Policy- Phones, tablets, ipads, etc. are great resources to use in art! You will be given an opportunity to use them for references when instructed. Anyone who abuses these privileges will be spoken to individually

And most important rule of all... **Have FUN!** Your artistic process will be that much more of a success if you have a positive attitude throughout

*****Supplies are due no later than Monday, September 9th. You may purchase these supplies at any local office supply store.***
